

OUR MISSION

At The KOHCI, our mission is to equip and empower a community of Believers to transform their thinking into a Kingdom mindset, live as Kingdom citizens by making the Word of God their final authority and apply the Word of God daily in every area of life. We are dedicated to developing strong leaders to boldly and confidently go into the entire world and transform it as they manifest the Kingdom of Heaven, demonstrating the Spirit and power of God, unwavering in their identity built up in Christ as Champions of Christ's victory. We aim to intently foster a community of prayer and worship allowing the Glory of God to weigh heavily and be present in every service resulting in us seeing and experiencing breakthrough, healings, and unusual signs, wonders, and miracles. We embrace the truth that the Kingdom of Heaven lives within us and we reveal this truth with everyone we come into contact with as we are Carriers of the Kingdom of God operating by grace through our faith.
